## **Article I. MEMBERSHIP**

### **A. NOTICES AND STATEMENTS**

SAMLARC is obligated to send notices and statements to Owner/Members by regular mail unless the Owner/Member consents to receiving said notices and statements by email. SAMLARC incurs a cost to the management company to prepare and send paper notices and statements by regular mail. The cost of using paper and regular mail to SAMLARC is much greater than the cost to use email. Under applicable law, Owner/Members may provide consent to receipt of notices and statements by email by notifying SAMLARC in writing or by email, to that method of delivery. As SAMLARC is looking for ways to reduce expenses, a fee may be charged to Owners/Members that do not consent to receiving notices and assessments by email to cover the management company charges for use of paper and regular mail. Alternatively, the Board may choose to issue discounts for certain costs otherwise imposed upon the Owners/Members, for those Owners/Members that consent to the use of email to receive notices and statements from SAMLARC.

### **B. GATE ACCESS CARD**

Cards are issued to a Registered Resident, eighteen (18) years or older. A maximum of two (2) cards per household will be issued. If there is only one Registered Resident, a second card may be issued. This card opens gates to Designated Facilities. All Members must be registered with SAMLARC in order to receive a card. It is the obligation of the Member to complete all appropriate forms and necessary documentation which provides the necessary information for registration.

All Registered Residents must adhere to all statements signed upon issuance of the Gate Access Card and any revisions adopted by the Board will supersede all previously signed statements.

Should the Gate Access Card be lost, there will be a fee per card to obtain a replacement. If the original Gate Access Card is found, a refund will not be issued, nor will the prior card be reactivated. It is important to notify the SAMLARC Management company immediately whenever a card is lost so that it can be deactivated.

All Residents are required to have a Gate Access Card to enter the Designated Facilities. Residents are advised to have the Gate Access Card in their possession when using any Designated or Recreational Facilities. A Gate Access Card may be used by the Registered Resident or any Members of their immediate household, fourteen (14) years or older.

### **C. TRANSFERRING OF THE GATE ACCESS CARD**

There is to be no transferring of the Gate Access Card to any person outside the immediate household, at any time. Registered Residents involved in the transfer of the Gate Access Card are subject to immediate forfeiture of the card, suspension of Recreational Facilities, Designated Facilities, and Community Property privileges for a period of thirty (30) days, and/or an assessment (fine) for each occurrence.

Tenants - As the Owner of the Property, it is understood that the owner is responsible for the return of Gate Access Card(s) issued to Tenant(s). New Gate Access Cards will not be issued until ALL previously issued cards are returned and/or fees have been paid. Lost/stolen cards must be reported to SAMLARC, using the Gate Access Card Replacement Form. Lost/stolen Gate Access Card(s) will not be replaced, and new cards

- g. Owner shall be responsible for all costs and expenses incurred by SAMLARC for any work performed by SAMLARC to correct a violation.

**C. DUMPING OR DISCHARGE OF ANY DEBRIS OR DETRITUS MATERIAL ON SAMLARC COMMUNITY PROPERTY**

1. SAMLARC staff shall investigate all reports of dumping or discharge of detritus material on SAMLARC Community Property.
2. Staff shall verify that dumping or discharge has occurred.
3. Staff shall take steps to verify that the dumping or discharge was not by vendors of SAMLARC.
4. If Staff receives a report of dumping or discharge, the person making the report shall be advised to call the Sheriff's Department. Staff shall then also contact the Sheriff's Department and provide a report of the information received.
5. Staff shall make every effort to determine who dumped or discharged the debris. If it is an Owner, then SAMLARC staff shall send a notice of violation to the offending Resident/Owner and process the violation in the same manner as all other violations are processed.
6. Staff shall make arrangements for cleaning the dumped or discharged detritus material and assess the cost to Owner identified in #5 above by charging the Owner with a Special "Reimbursement" Assessment (as provided in the CC&Rs, Article VI), in addition to any other remedies, fines, or disciplinary measures imposed.
7. If the Special "Reimbursement" Assessment is not paid within the time required, then a lien for the unpaid amount shall be processed in the same manner as a lien is processed for non-payment of regular assessments.

**D. RULES AND VIOLATION REPORT**

There must be two (2) Members representing two different Residences of the Master Association to pursue violations that cannot be viewed during an inspection of the community (i.e., barking dog, noise nuisance, garage storage, etc.) Please be as specific as possible to allow the Covenant Committee to expedite the process in a timely manner. Include specific times and locations. All alleged violations will be evaluated to ensure they are considered an infraction as defined by the Master Association's legal documents.

**E. FINE SCHEDULE**

1. Letter inviting Member to first hearing. Follow-up letter with first fine plus legal fees, as applicable, following the scheduled hearing.
2. Letter inviting Member to second hearing. Follow-up letter with second fine, plus legal fees, as applicable, following the scheduled hearing.
3. Letter inviting Owner to third hearing. Follow-up letter with third fine, plus legal fees, as applicable, following the scheduled hearing.
4. The Covenant Committee may take action including but not limited to: change the ongoing rate of fines; use the legal system; or correct the violation to resolve the matter. The Member is responsible for legal fees and/or reimbursement of costs incurred by SAMLARC in enforcement activity.

If the violation continues following the third notice of hearing and fine, continuing enforcement may proceed, which may include a combination of the following options:

- a. Seek remedy by use of Internal Dispute Resolution (IDR) to provide a fair, reasonable and expeditious procedure for resolving a dispute between SAMLARC (the Association) and a Member involving the parties' rights, duties, or liabilities under the Davis-Sterling Common Interest Development Act. The IDR process

may be begun by either the Association or the Member (the "requesting party") requesting the same, in writing, and serving the other party (the "responding party") with a copy of the written request ("the Request") by certified mail. If the process is invoked by a Member, the Association shall participate. If the process is invoked by the Association, the Member may elect not to participate in the procedure. Should the Member elect not to participate in the procedure, however, the Member shall thereby waive any right to appeal or ask the Board of Directors to reconsider any decision it may make regarding the dispute.

- b. Suspend or condition the Owner's right to use any recreation facilities that SAMLARC owns, after Notice of Hearing and suspend the Owner's voting privileges as a Member.
  - c. Forward to legal counsel for further enforcement.
  - d. Seek remedy by use of Alternative Dispute Resolution (ADR) such as mediation or arbitration.
  - e. Enter upon Owner's Lot to remove the violation, make the necessary repairs, or perform maintenance, which is the responsibility of the Owner.
5. Fine amounts are categorized into levels according to the severity of the violation, based on a number of factors including, but not limited to, the violations impact on the neighborhood, cooperation of the Owner in resolving current and prior violations, multiple violations, repeated offenses, etc.
