

Picnic Shelter Guidelines

The following guidelines apply to all use of SAMLARC park picnic areas. These guidelines are ancillary to the general SAMLARC Policies and Guidelines.

1. Permits are issued to SAMLARC residents only.
2. The Permittee should carry the permit with them for the duration of the permitted time. Those with Park Use Permits have priority over those without.
3. Only the hours, days, and area specified by the SAMLARC permit are authorized for this picnic.
4. Use of adjacent sports fields is allowed only if specifically called out on the Park Use Permit.
5. No portable barbeques are allowed.
6. Bounce house Permits may be obtained for Altisima, Central Park, Mesa Linda and Trabuco Mesa Parks. Permittee must use SAMLARC approved vendor and place bounce house in designated spot.
7. No cars or trucks are allowed on the park.
8. Amplified sound (PA system) is not allowed.
9. No Alcohol allowed.
10. Picnic Areas cannot be used for any financial gain. No other concessionaries are permitted.
11. Any serious injuries must be called in to 911 for immediate disposition. All injuries should report within 48 hours to the SAMLARC Park Use Manager.
12. All trash, including but not limited to food items, anywhere in the park area under use by the Permittee must be picked up and deposited in the trash receptacles located throughout the park site. If receptacles are full, trash is to be put in tightly secured trash bags and placed next to any trash receptacle for pickup. Area should look as though no one was there after the permitted time.

Any variation in food or activities from that of a traditional picnic or use of additional vendors, require approval of the Park Use Manager on a case by case basis and must be called out on the permit.
